**Q: Is an organization eligible to apply for this funding if we are not located in the specified counties?**

*A: Per the AFA, "the Department is seeking vendors who can provide SUD Residential Treatment Services in the designated geographic area by adding to existing programs or developing and implementing new capacity." It is not a requirement that applicants currently operate in the designated region, however applicants must propose how they will establish the requested services in the designated region.*

**Q: May a Peer Operated Recovery Program submit an application?**

*A: Yes, a Peer Operated Recovery Program may apply.*
